

RESEARCH GROUP

Alexey Kamyshny
Associate Professor, Laboratory
Head

B.Sc. Hebrew University of Jerusalem,
1998

M.Sc. Hebrew University of
Jerusalem, 2002

Ph.D. Hebrew University of Jerusalem,
2006

alexey93@gmail.com

Keren Solomovich
Laboratory Engineer

B.Sc. Ben-Gurion University of the
Negev, 2004

M.Sc. Ben-Gurion University of the
Negev, 2008

solkeren@bgu.ac.il

Khoren Avetisyan
Ph.D. student

B.Sc. Yerevan State University, 2006

M.Sc. Ben-Gurion University of the
Negev, 2016

Project: Inter-annual study of the re-
oxidative part of the sulfur cycle in
Lake Kinneret

avetisyankhoren@yahoo.com

Amit Ben Shitrit
Ph.D. student

B.Sc. Ben-Gurion University of the
Negev, 2017

M.Sc. Ben-Gurion University of the
Negev, 2019

Project: Investigation of the chemical
composition of high-impurity
phosphate rocks and identification of
geochemical parameters affecting
phosphoric acid production

bensamit@post.bgu.ac.il

Tomas Israel Grijalva Rodriguez
Ph.D. student

B. Che. E. Instituto Tecnologico de
Sonora, Mexico, 2007

M.Sc. Universidad Nacional
Autonoma de Mexico, Mexico, 2013

M.Sc. Universidad de Leon, Spain,
2011

PhD. Universidad Nacional Autonoma
de Mexico, Mexico, 2018

Project: Cryptic sulfur cycling in the
sediments of the Gulf of Aqaba

grijalva@post.bgu.ac.il

Racheli Shaul
M.Sc. student

B.Sc. Ben-Gurion University of the
Negev, 2014

Project: Impact of aeolian dry
deposition on speciation of iron
and sulfur in the Red Sea sediments

racheli5982@gmail.com

Irina Zweig
M.Sc. student

B.Sc. Ben-Gurion University of the
Negev, 2019

Project: Study of iron speciation in
economical phosphorites as a key step
for development of effective iron
removal protocol

irinaz@post.bgu.ac.il
